

This report was run on 19/09/2024, at 10:49 AM and is a guideline to assist you when requesting a group visit to the London Museum Docklands.

The report uses formulas to calculate the number of groups already visiting between 10am - 2pm and is only a guideline; it does not guarantee a requested day will be available.

We can accommodate 16 classes of up to 35 students plus required teachers and adults between 10:00 and 14:00; if your group is larger than this, we will split the group into smaller groups.

We are able to welcome up to 3 classes every 30 minutes, if you are visiting with more than 3 classes your entry times will be staggered.

If you are visiting to view a particular gallery (or galleries), please check the gallery availability and select these galleries when submitting a visit request.
